

San Bartolo Yautepec Zapotec

San Bartolo Yautepec Zapotec is an Oto-Manguean language of western Oaxaca, Mexico. It is a divergent Zapotec language, 10% intelligible with Tlacolulita Zapotec and not at all intelligible with other varieties. It is moribund, with all speakers born before 1955.^[1]

The ISO name is simply "Yautepec", but several other Zapotec languages go by that name.
